When should I arrive?

Please arrive in the Gift Shop 10 minutes prior to your scheduled time. Please ask your guests to remain outside. Your host will give you your party materials and help move your things and escort your guests to the party site. If your party is scheduled at 3 pm or later, you may want to have your guests meet early and tour exhibits before your scheduled party time.

What if some of my guests cannot come?

Admission tickets may be used at a later time before the end of the season. No refunds please.

May we bring our own food and decorations?

Yes. For the safety of the animals, balloons, straws and confetti are not allowed. We handle cleaning up the area after the party, so you may head off to enjoy the Zoo worry-free!

When are my final balance and guest list due?

They are due 5 days prior to your party date. Unpaid balances will result in cancellation of the party. All materials and reservations will be forfeited and any deposit considered a donation.

What is cancellation policy for parties?

Parties will take place regardless of weather. Cancellations made at least two weeks prior to the event will receive a refund of the total amount, minus a \$100 non-refundable processing fee. Cancellations made less than two weeks prior to the event will forfeit the paid amount, unless verified by a doctor.
